

Massachusetts Independent Pharmacists Association

Pharmacy Technician Assessment Exam

The Massachusetts Independent Pharmacists Association has developed an assessment exam approved by the Massachusetts Board of Registration in Pharmacy to comply with regulations that require employers to assess basic knowledge for pharmacy technicians. For security reasons the exam must be ordered by a pharmacist registered in Massachusetts

The exam is valid until December 31, 2023 and can be copied as many times as needed. Three different versions will be sent to assist pharmacy owners/managers in maintaining the security of the exam. An exam map for each exam will assist in evaluating the knowledge of the technician.

The exam tests the following goals and objectives;

- A. Job Descriptions
- B. Pharmacy Security and Accuracy
- C. Commonly used medical abbreviations, calculations, and routes of administration
- D. Product selection
- E. Final check by pharmacists
- F. Regulations affecting pharmacy
